# Announcement of the 2021 APQN Academic Conference (AAC) Webinar

Dear APQN members and participants,
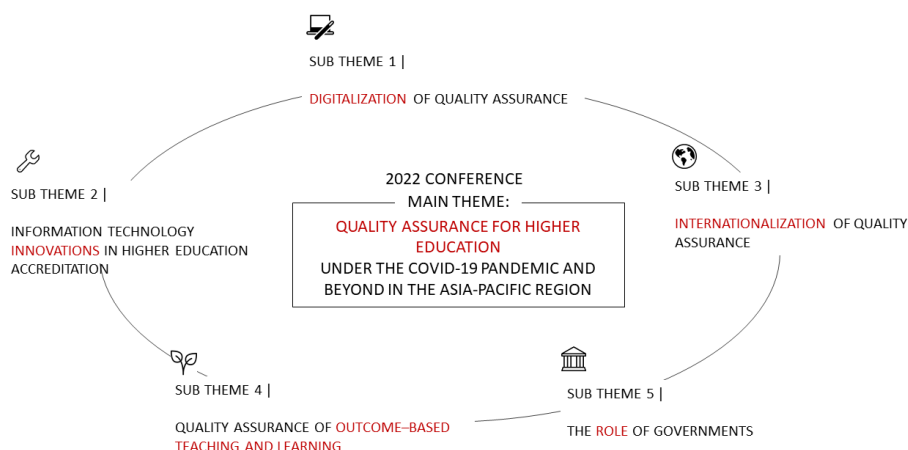

Greetings from APQN!

As we continue to adapt to combatting against COVID-19, the APQN executive and organising committee has decided that the APQN Academic Conference (AAC) and Annual General Meeting (AGM) will be a two-part event across 2021 and 2022. This will allow us to reconnect with one another – sharing our expertise and experiences to tide us over until we can meet again in-person. We hope that the opportunity will come once again in 2022.

The first event will be a free webinar on Thursday, 25 November 2021 from 4-7pm (GMT+8) and both APQN and EduValue will be sponsoring the Event so as to allow as many participants to join. This will be an opportunity for us to listen to our keynote speakers as well as paper presentations. Below is our main theme and sub-themes.

SUB THEME 1 |

Teaching technology: Does Education have a more prolonged approach to the pandemic?

Thursday, 25 NOVEMBER 2021 WEBINAR

APQN Board and the Local Organizing Committee

About the Organiser, APQN

APQN members strive towards dissolving boundaries for a quality region to enhance the quality of higher education in the Asia- Pacific Region through strengthening the work of quality assurance organizations and extending the cooperation between each other. APQN envisions to be a self-sustaining network, a first point of reference for advice or support, efficient in its operations and open in information sharing.

About the Host, EduValue

Strengthening education since 2012 in quality assurance areas, the company retains an undisputed mastery over Quality Assurance (QA) and regulatory compliance. The organization has since grown to provide strategy consultation, digital workflow, human capital, outsourcing of QA functions, management advising, M&A activities and independent audits to identify real gaps that hinder progress and improvement with an overall goal of helping strengthen overall quality for the Education Sector.
